Estimation of Time ML Project

By Patwari Raghottam

Enter the start latitude:

17.98

-

+

Enter the start longitude:

78.90

-

+

Enter the destination latitude:

17.90

-

+

Enter the destination longitude:

78.88

-

+

Enter the distance:

15.99

-

+

Enter the density:

4.00

-

+

Enter the weather condition:

2

Enter the day:

4.00

-

+

Enter the hour:

12.00

-

+

Submit

The Estimated time is

value

43.5424

minutes
